

COMMUNITY ENVIRONMENTAL MANAGEMENT

RISK & PROBLEM ASSESSMENT SUMMARY REPORT

(How your community's land use decisions and policies might be affecting natural resources and ultimately the quality of life for your residents.)

DRAFT

Community Environmental Management

**RISK and PROBLEM ASSESSMENT
SUMMARY REPORT**

Name of Community _____

This summary report gives you an idea on how your community's land use decisions and policies might be affecting your community's natural resources and ultimately the quality of life for your residents. The recommendations should serve only as a general guide to some of the key protection and restoration needs for your community.
