Please be prompt, truck will be here at 10:00 A.M. only. Order must be picked up at that time.

***** No refunds will be given for fish not picked up*****

The Erie County Soil & Water Conservation District is not responsible for fish after they leave the pick-up area

Transport: Fish will be distributed in cold water, oxygenated bags. It is recommended that you acclimate the fish to the pond water. This is done gradually over 1 to 2 hours by adding pond water to the bag/container.

Pick up fish at the SWCD office at **50 Commerce Way**, behind the East Aurora Post Office on Route 20A at the western edge of the Village of East Aurora.

Questions? Call (716) 652-8480 ext. 5, or visit the District website for fish management info at www.ecswcd.org
